LETTER

Sir:

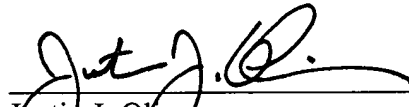

Applicant is in receipt of a Notice of Allowance and Fee(s) Due form dated December 17, 2004. The Issue Fee is due on March 17, 2005, and is being paid concurrently herewith.

Previously, Applicant received an earlier Notice of Allowance and Fee(s) Due form, which was mailed on May 6, 2003. In response to that earlier Notice, Applicant filed a Request For Continued Examination in order to add additional claims. Attached to the earlier Notice was a Detailed Action, including a statement of the Examiner's reasons for allowance. The statement discussed a number of features, some of which are recited in the independent claims, and some of which are not. For instance, the statement discusses a shock absorbing member. That feature was recited in independent claim 26, which has

since been cancelled. Accordingly, Applicant submits that the claims should be considered allowable for the features now recited in the independent claims, rather than for the reasons discussed in the statement provided in the Detailed Action attached to the Notice of Allowance dated May 6, 2003.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
